東京アンダーグラウンド

TOKYO UNDERGROUND

There is a railroad not in use anymore that stretches through the darkness, ending deep under the ground of Tokyo, Japan's capital. Beyond there lies a sealed world without sun.

TOKYO UNDERGROUND

SUMMARY OF PREVIOUS VOLUME

Rumina and all went underground to save Ruri, the Priestess of Life who was taken away.

There, Tailor who wanted to settle his grudge from aboveground, waited to greet them... At the end of their fierce battle, Rumina who has awakened his wind-power defeated Tailor.

Meanwhile, Ruri tried to escape the Company with one of the guards, thunder-user girl, Ciel.

Chapter 24

Truth within the Eye

Where did the Priestess run off to?
AFFRH !
Although I don't understand
Why you are risking your life for the Priestess
It doesn't matter if you don't tell me
There is no way a girl like her is going to be able to .
run away from capture in this underground maze of darkness!

Instead of worrying about others, worry about yourself!
grr...
woo...
wooo
Is there anyone able to penetrate my barrier?
THEM?!
Farewell.

Ciel?

I will catch up with you soon, don't worry!
As long as we can get onto the rail carriages at the front we will be able to get to the town safely.

I am sure you will be here!

One day tour of the Underground attractions! Let's go!
Let's go!
heh...
er...

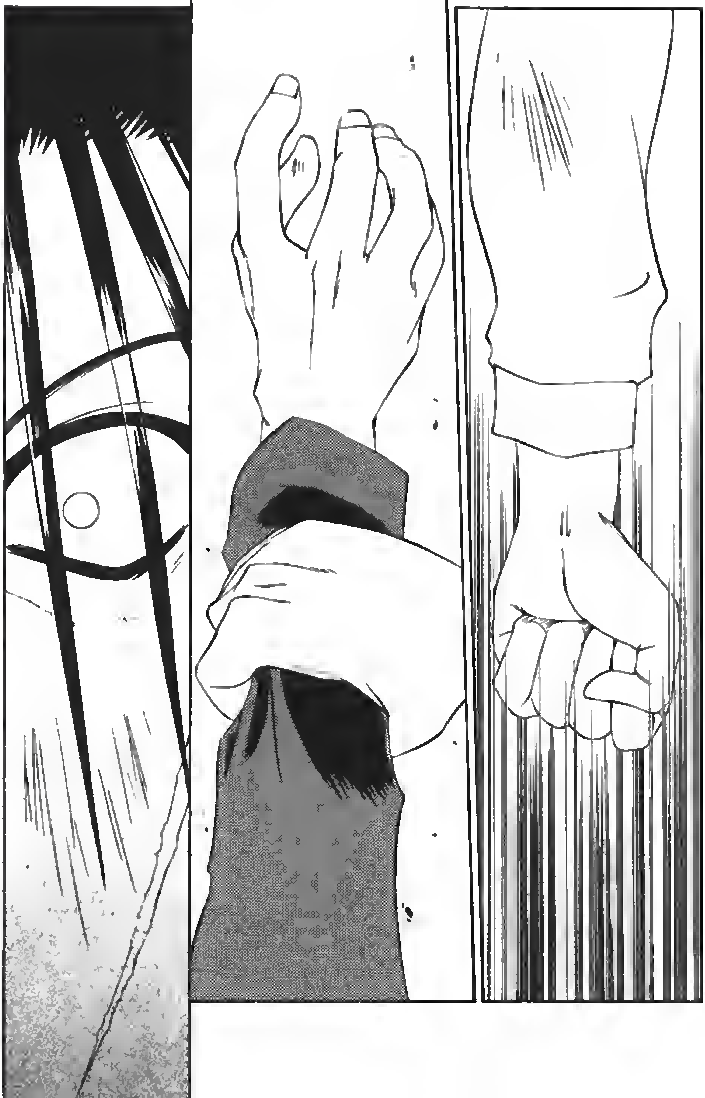
Sightseeing MY ASS!!!
TAKE ME TO THE COMPANY!!
Woah!
heh...It's no big deal, just have a look!
Let's go and see the power supply system and artificial solar system?
IT'S FUN
There is no time for that!

You should relax yourself sometimes...
Else ...
Although I am not sure if what you said yesterday is real...
It'll ruin your image about this city

Bullshit! You are just trying to drive me away so that you can be alone with Chelsea!
Ayo...It's nothing like that!

And even if we were alone, I wouldn't do anything perverted.
ALONE!
ALONE!
ALONE!
grr...

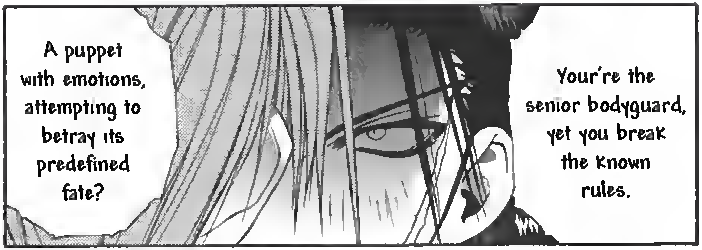
I have only one goal!
Affect my analytical ability?
And rescue Ruri
That's to go inside the Company...



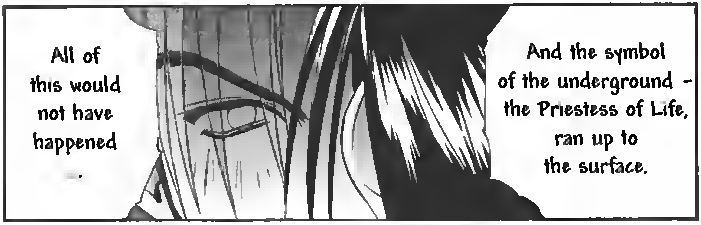
Seki?

Please forgive her rudeness. In order to prevent chaos, I have Kasshin-sama's order to be in charge of all senior guards

Seki
...
You are spoiling her too much
The Company can no longer take you in, please leave once your wounds have healed.



A puppet with emotions, attempting to betray its predefined fate?
You're the senior bodyguard, yet you break the known rules.



All of this would not have happened
And the symbol of the underground - the Priestess of Life, ran up to the surface.

I hope you don't try to stop me when the time comes.
though the Priestess is under my jurisdiction.
No point dwelling on the past.
Never-mind

Is he planning to use those guys?

ゴトン

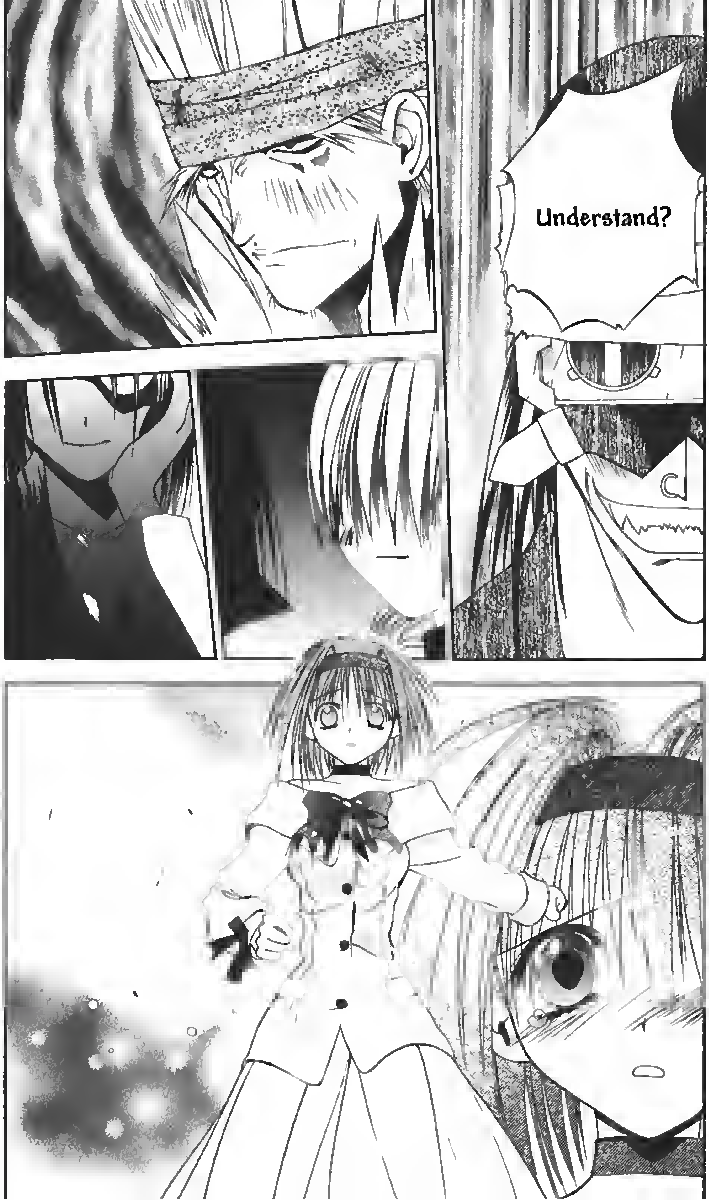
Hey, do we really have to do as Pai Ron instructed ?

It's so boring.
Who is it?
Let's forget about that, and entertain ourselves
Chao, you have no objections right?
...
Shadow, you are there too right?
Sure, it wouldn't be fun if we just get back like this
ah...

So it's decided.
It's your first time playing outside the city right?

Princess?
Don't run away so quickly...
gee...

IF YOU DON'T USE YOUR POWERS, YOU WON'T BE ABLE TO GET RID OF US!



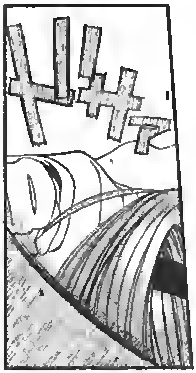
Understand?

I had a promise with Ciel,

Chelsea, Rumina and Ginosuke...

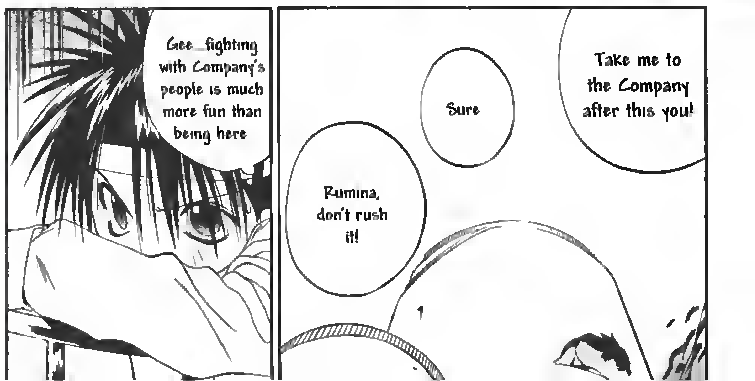
I want to see...

I desperately want ...



To see the sunshine once more...

Eh?
Rumina, here—
I'm as dead as a dog...
Are you alright?
If you don't hurry up, I won't wait for you
Please...



Gee...fighting with Company's people is much more fun than being here
Rumina, don't rush it!
Sure
Take me to the Company after this you!

Look, it's begun
ya ya
PA!
At the same instant when the solar system shuts down,
Eh? odd...
Shouldn't the power supply system auto-activate at the same time?

Where
is this...

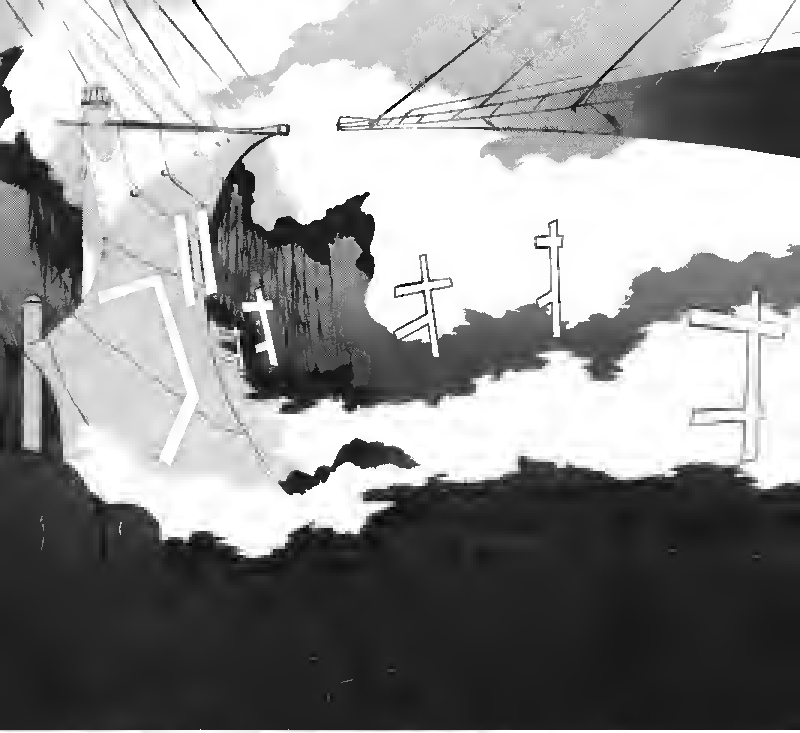
Where am I...

Ch 25
Tower Battle



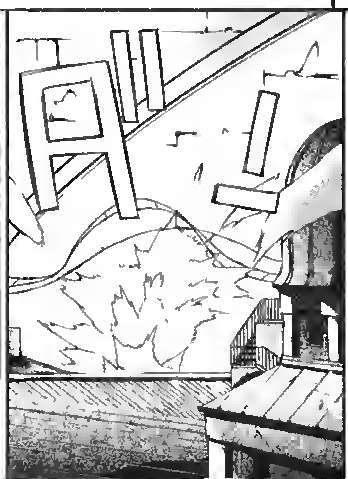
Eh?
EXPLOSION ...!?

WAIT! WHAT ARE YOU TRYING TO DO?
!
What else?

Of course to check it out!

Let's go after him!
He has fully mastered his powers.
I don't know him anymore

AH!
He's gone!



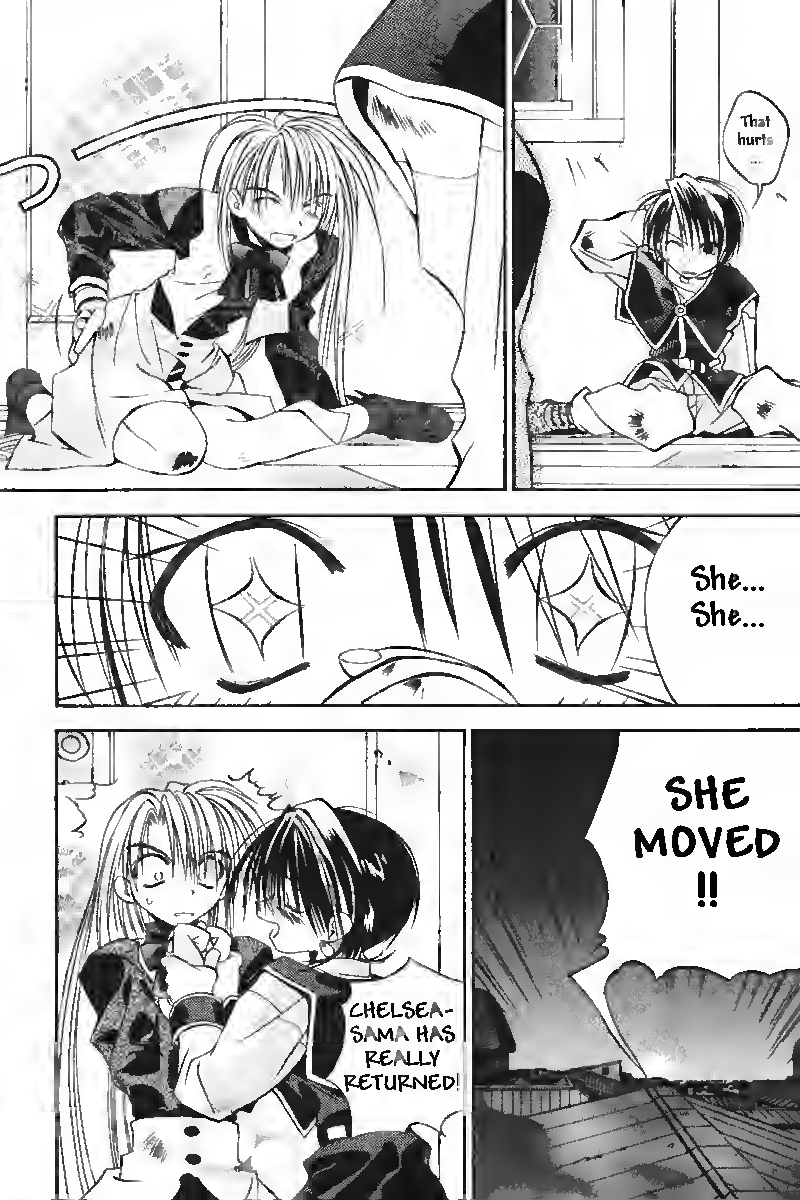
ゴゴゴ
Don't over do it guys...

Heh... Just as planned.
I merely broke a few lamps to ease my maneuvers.
And the Priestess is still alive!
Don't forget we are ordered to bring back the Priestess of Life.
Hide and seek ends here.
What impatient bastards...
Heh...
Even I can't move before we get the prey.

Now, our missy's opponent is. . .
BASA
Don't be so cocky, boy.

キキーッ

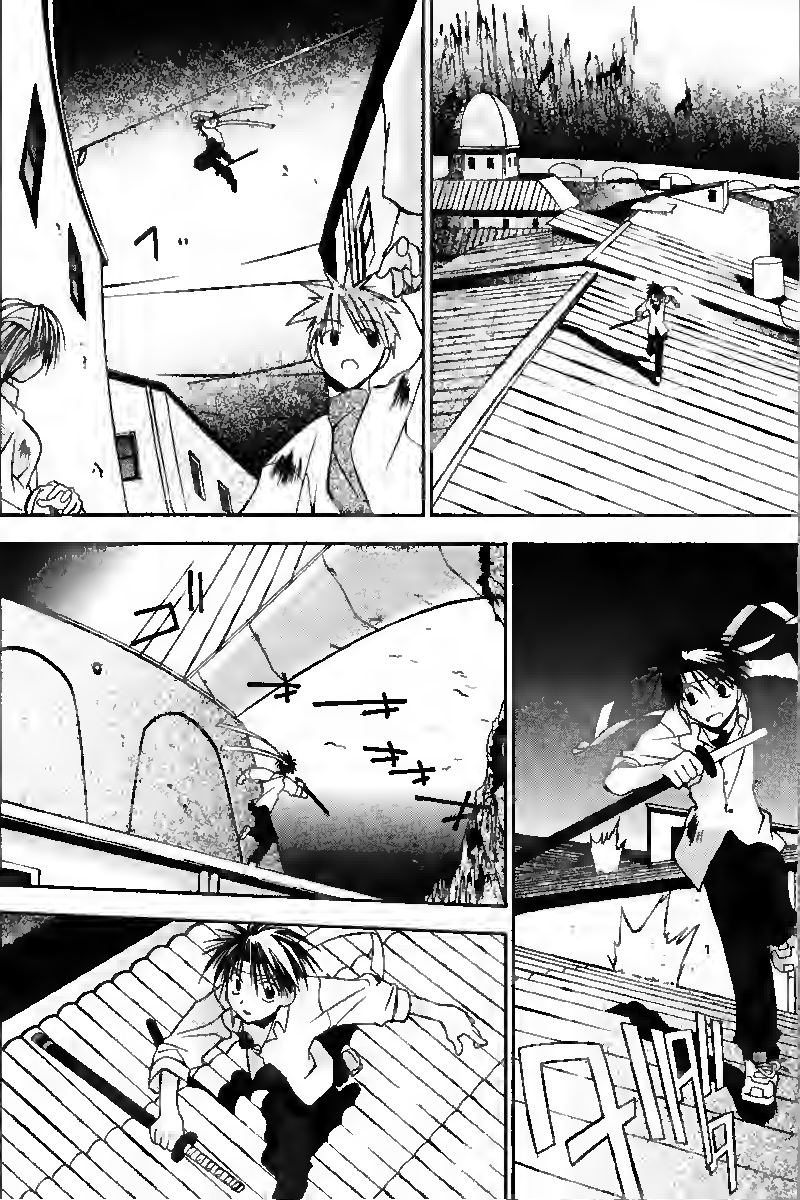
I came to Chelsea-sama's room because it's noisy out there.
Chelsea ...



That hurts ...
She... She...
SHE MOVED !!
CHELSEA-SAMA HAS REALLY RETURNED!

Guard ?
I knew it...
Don't you remember? Not long after I entered the Company... In front of the elevator ..
You pulled me up when I fell then.

She doesn't care at all
Why is it so noisy out there?
Damn! My injuries haven't yet recovered ..
GUARD OVER THERE!
スキ!!
WHAT ARE YOUR ORDERS?!



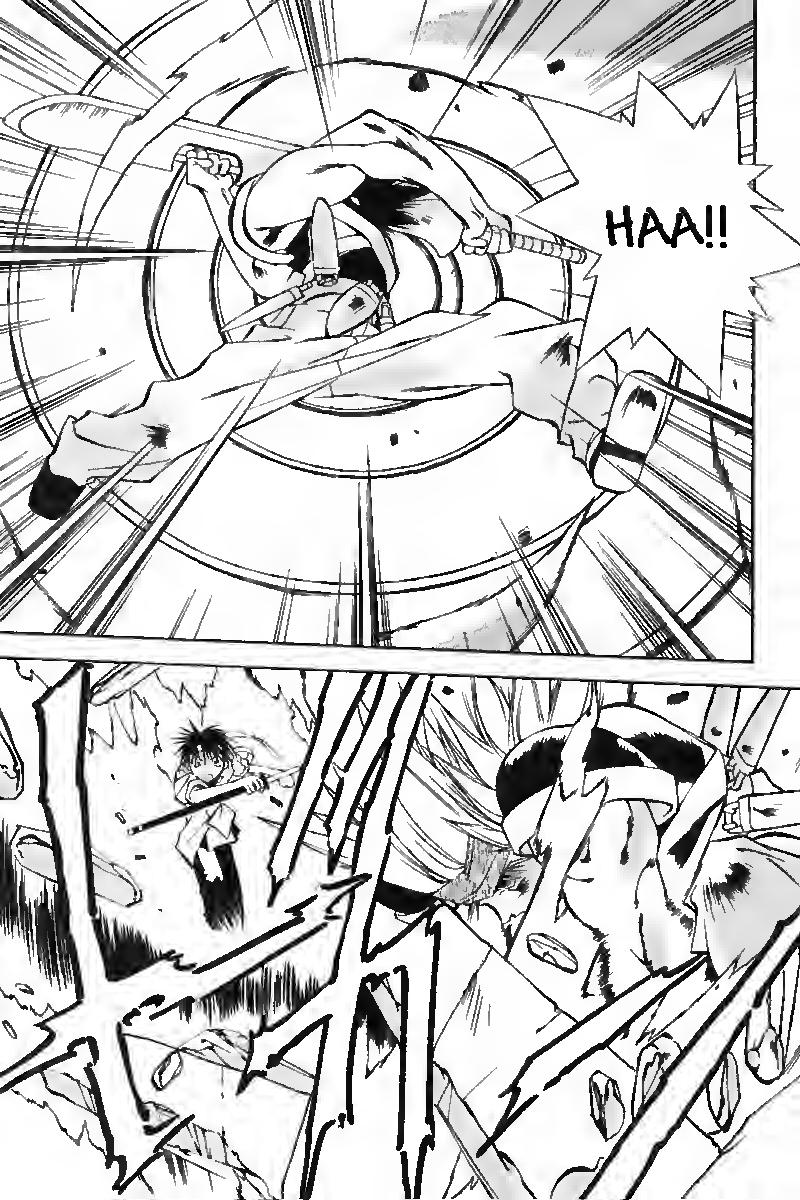
I don't get it...
Although I don't know what happened,
I have a feeling I have to check it out!
OI! YOU THERE!!

Else senpai is going to give me a lengthy lecture!
More... moreover...
PLEASE DON'T ACT ON YOUR OWN, OK?
You can't enter without a card!
The second tower...
is the sky corridor.

There are four entrances and exits.
There is only one route in the tower.
You will be able to reach the top if you keep climbing up
토닥토닥!!!
Don't worry about it, I will wait here for him, you go and report to my senpai,
okay?
Oh, I guess so...
So...
We are just his assis-tants...
THANKS!
Wait...
The position of the exit....
I SAW IT ALREADY !!

Just keep climbing up.

There aren't such long stairs on the surface...



HAA!!

UGH...

オオオオ
Wind user, I didn't think that you would show up automatically, saving my time looking for you.
Heh ... Since you know who I am, then you must be ..
from the Company!

HAA
HAA
Do you understand my simple explanation?
The thing about the Dragon...
Is just like a made up world...

But the Company is doing it to protect the Underground's peace.
Then ...
How do you explain this?
Found you...

YAH!!
Why isn't he using his powers?
Is that all he got..?

It's so disappointing, your powers can only shift leaves!
He blocked?
Whether you are an assassin or not, they did send you,
don't underestimate me!

Such a boring mission...
I AM GOING TO HAVE ALL THE FUN I CAN HAVE!!
Ugh...
Mindless muscle man...
The roof?

So, this must be...
The roof?
There is...
a very strange feeling?

Eh...
.....

Ru...
YOUR HEAD IS MINE!!

ボロ
Damn it!
If I just return like this, I would be such a joke.
Odd, why is it so noisy?

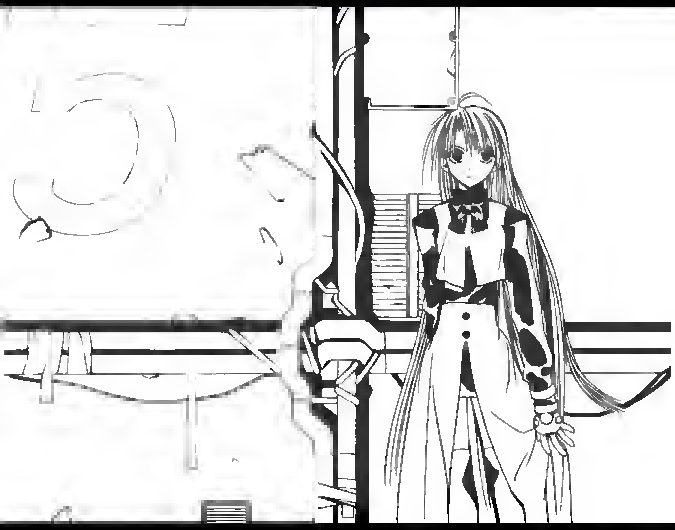
Chapter 26 - Final Battle 1



That specs boy went this way for sure
So Chelsea and the rest have already gotten into the tower.

Get...
THE FUCK,
OUT OF HERE!

Kid, you are too naive..
IF YOU DON'T MAKE USE OF YOUR CHANCES, YOU WILL REGRET IT!
Smoke Enclosure!!
!!

Where is that bastard?
Shit..
This is my ability, "Smoke", your sight is useless now!
SMOKE!!?

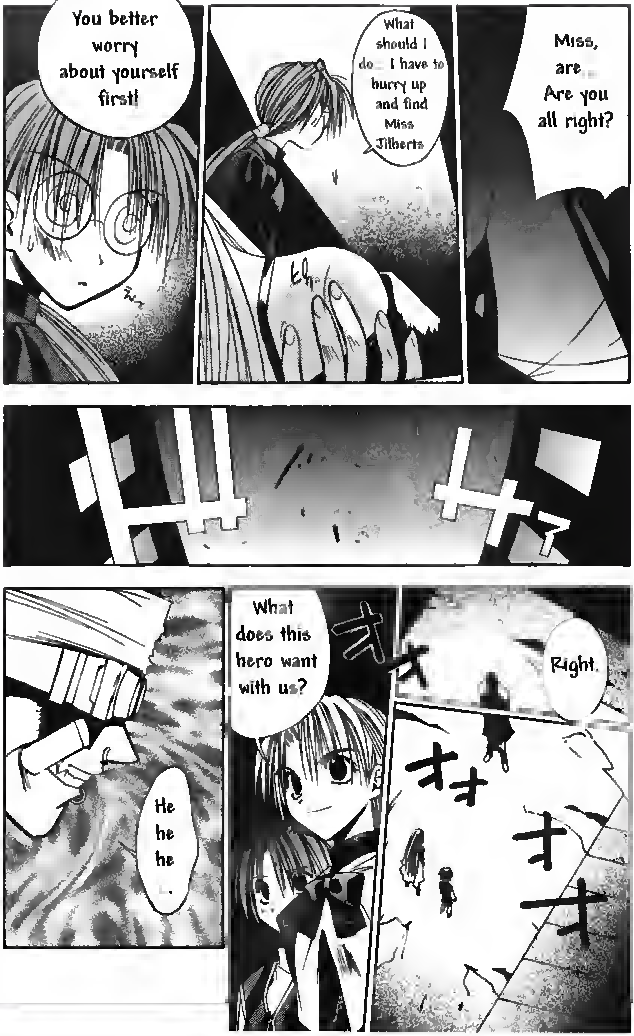
Where are you looking?
Damn!
Heh, this attack works best in an enclosed environment!
Dark Steel Attack!!!

Eeeeeeeha!
What?
So what if I am?
Pai Ron's "Fang."

I heard rumors that...
Other than the senior troopers, Fei Ren-sama trained another group of special forces.
But those people...
Are all [illegible] or death-sentenced criminals?
Heh.. That's right!!
But our main job is to eliminate rebels and search for people with special abilities.
In simple terms, we made the peaceful society possible for the Underground world.

Is that all you have got to say?
What?
This is bad...
So Chelsea was telling the truth?

!
If this guy is here, it means that the others are also...

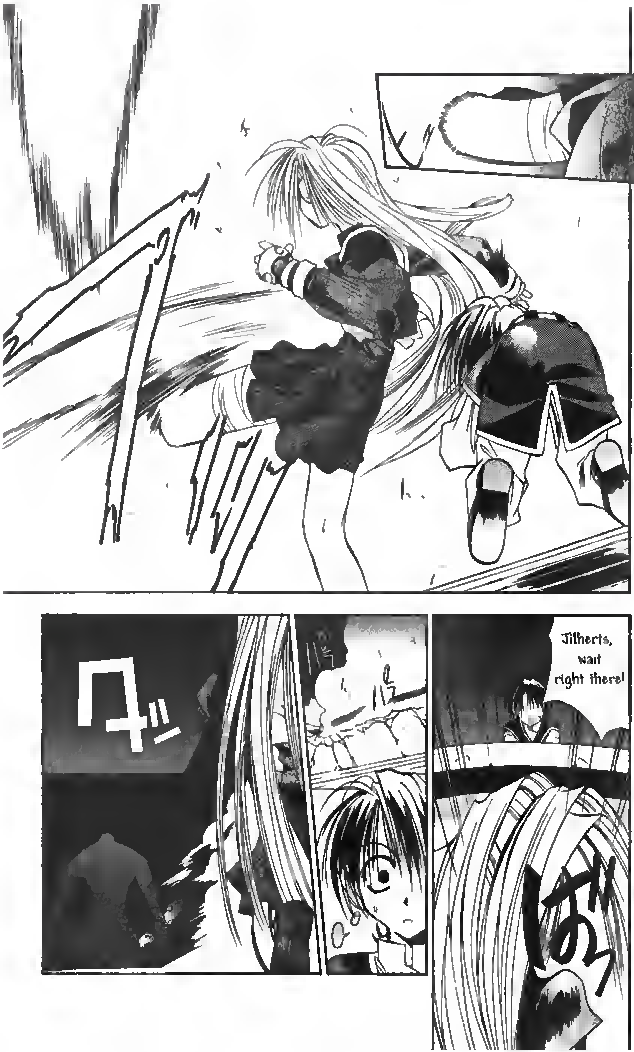


You better worry about yourself first!
What should I do... I have to hurry up and find Miss Tilberts
Miss, are... Are you all right?
What does this hero want with us?
Right.
He he he.

Pervert!
What are you trying to do...
What else...
Sorry.
I am not interested in weaklings!

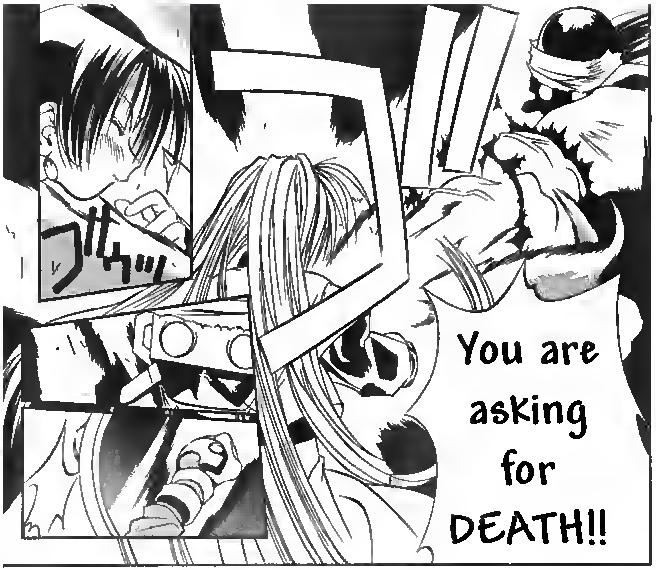
I'm no weakling.
You will understand soon enough!
He is flying!
Fist Of Doom!!!
Wha... What the hell is that technique?

I see.
This is the instantaneous thrusting potential from the inner body energy that's hidden within the muscles
Heyyahh!
!!
THAT'S RIGHT!

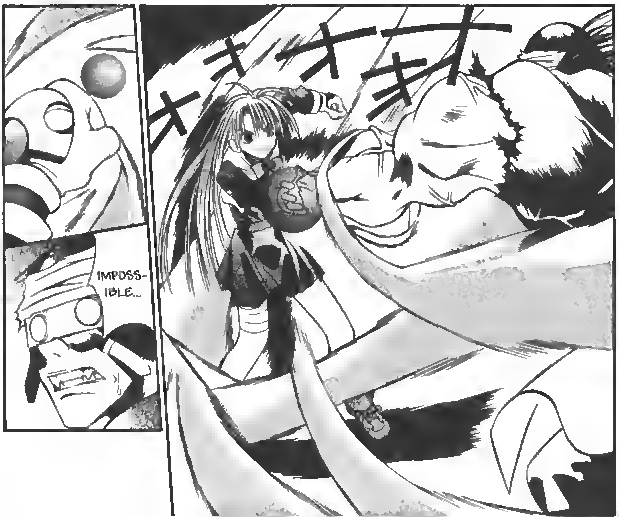


Jilherts, wait right there!

Although HEAT's power is promising,
I have been restraining my powers to protect that cute face of yours
Hehe... Don't get cocky after dodging a few of my moves,
....
it's not enough to get me warmed up!



You are asking for DEATH!!



IMPOSS-IBLE...

Woo...
AH!
Hooo.

I still have about 70-80% power.
Chelsea-sama ♡
That Heat man is so useless.
Got himself wasted as soon as he boasted about himself
However...

Once this level is exceeded, it loses the collection purposes.
I need to have some fun myself
Watching, SMOKY and SHADOW having their fun is tickling me.

Gosh .. You look so cute without specs ..
Who are you?
You..
I have got to tell them quickly that the assassins have arrived earlier...
Heh heh.. At least much better than that Wind guy...
Company's assassin?

Hehehe...
Where are you going leaving such a beauty here?
Since when did she get there?
This is my ability, shadow...
Shadow!
That's right, shadow's power...
is to enter shadows and move freely between the shadows...

I am inside the shadow.
You still don't get it?
She's gone?
You can't get away from me either
You can't catch me.
Of course.
WOOOAAAHH!!

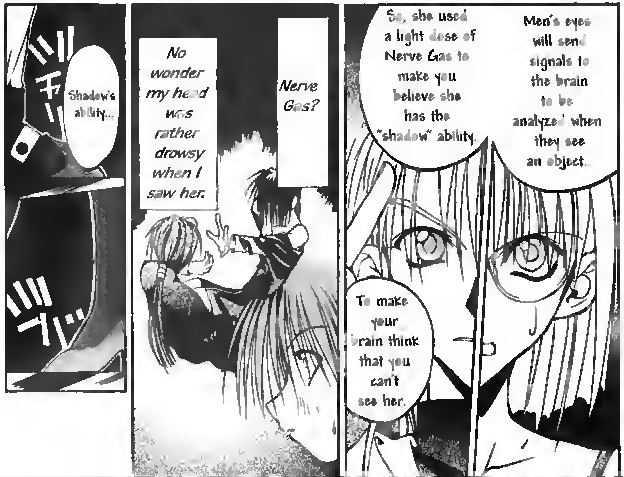
But that specs boy...
Why is he just standing there letting her kick his ass
It's good that I came to have a look
...
What's he afraid of?
Hasn't his opponent been in front of him since the start?
Where is she...?
Dammit

!!
Stop struggling
I am just inside the shadow
SHIT!
You can't catch me, nor can you run away from me
Just as she has said this level of light will cause objects to form a shadow
if she moves between the shadows I have no chance to attack
Don't get fooled!!
What?

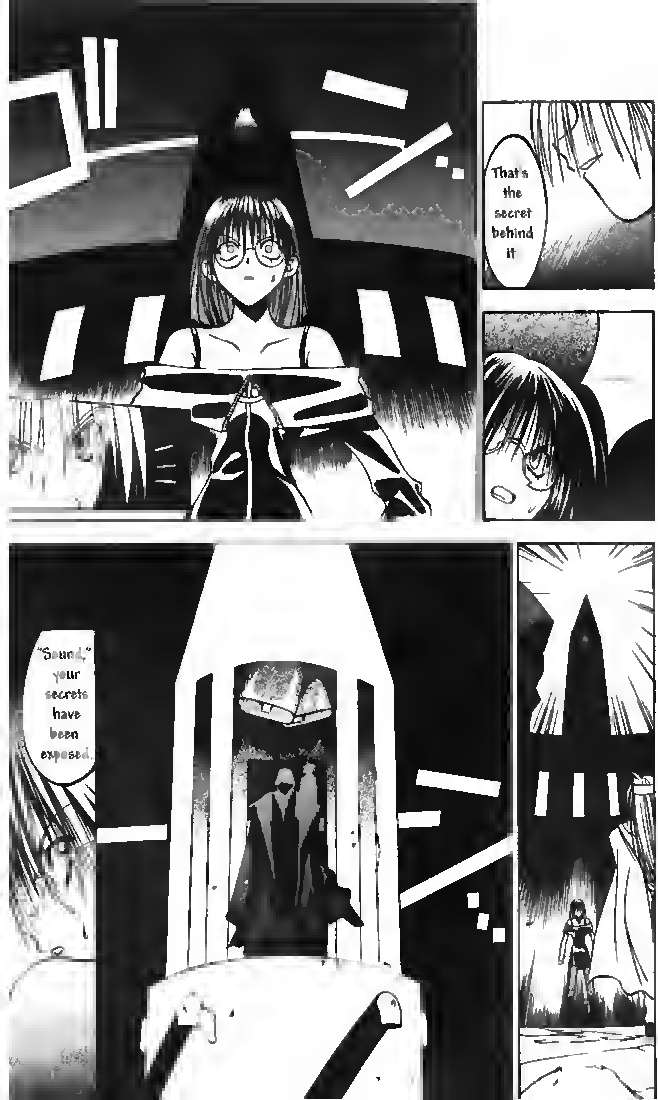
Ginosuke, open your eyes!
Ah... Master Sui?
Dons!

Long...
Been a long time since we last met.
It's been a long time, Geinosuke.
Long time my ass, YOU stupid idiot!
Wooooah!
There is something more important to deal with here!
Because you changed the ammo secretly, I was totally embarrassed

I can see her now?
That was just her trick...
!!
Grr...



Shadow's ability...
No wonder my head was rather drowsy when I saw her.
Nerve Gas?
So, she used a light dose of Nerve Gas to make you believe she has the "shadow" ability.
Men's eyes will send signals to the brain to be analyzed when they see an object.
To make your brain think that you can't see her.



That's the secret behind it
"Soundly," your secrets have been exposed.

No matter how strong you are once your shadow ability's secret is exposed you will have great difficulty finishing off these two...
A child?
I was planning just to come by and have a look
but you seem to be having a hard time

She is ....
Let me give you a hand.
I will lend you my puppet.

If I had the power....
Such a tragedy wouldn't have happened!
Only if I...
had power!

Chapter 27
Final Battle 2

She is...
Even though her looks have changed, I can still recognize her...

She...
She is still alive...!!
Hekisa...
You've seen my puppet before?? Really?
Puppet?
That's odd...

Don't elemental hunters eliminate all survivors?
You are from the surface, thus no, even a few people of the Underground World know about it
In order to avoid having its dominance jeopardized, the Company searches for people with special powers
Those who resist are all killed
You know her?

Mind your own business! Little brat!
Those with special abilities were all taken to the Company...
I almost had him!

"Heat" and "smoke" aren't easy to handle!
Grrr... So did you get the Priestess?
hehehe...
But I couldn't tell at all...

And, Heat lost.
He was defeated,
by Chelsea Rorec.
I already chained the Priestess with this.
Don't worry.
Rumina and the others... No, Ruri... she...

You should know what I want to say, right?
Let her go right now.
Heh..
I have no objections either way.
But ....
To let her go or stay...
I

She is no longer the person you once knew.
She's gone?
What's going on?
You should ask for her opinion first.

As you are seeing now,
she is just a puppet battling like she is told to,
without any memories or emotions.

Impossible...
Why not?
All there is to do is to use my special ability.
What...

I know it very well...

Heh!

Those who were selected by Elemental Hunters are all...
Among all those I have known, she is the most...
Extremely strong!
スッ
Sui!

The gun has already been charged with energy. each bullet can be fired 3 times. you probably will need it.
Eh...
Wait!
There... what I promised you earlier.
Don't worry.
I still have plenty of spares.
But remember...

I didn't make this weapon to hurt people!
mmm
Errr
Eh?
HAH!!

HAH!
Hooo!

Do you really ...
ナルア
Not remember anything?
Hekisa!

Why...
LYING IN THE DARK UNDERGOUND HOLE CREATED BY RON'S DESTRUCTION...

Who?
THERE, I MET YOU.
You can walk already?
You saved a stranger like me and took care of me
Miracu-lously ...

there are still no blossoms.
What a shame.
seems that the light still isn't enough.
Even when facing a stranger, still showing your innocent smiles
You two should race and see if your injuries get better first!
Owning all the things I had lost when I was locked up.

MASTER!
Have you really... forgotten everything?
Do you still not get it?
!

At your level,
you will never be able to defeat me.
shoooo....
This isn't the time to worry about others.
I think Heat fell down around here.
!!

Errr....
Gotcha!!
Waaaah!

What!
!!

Hoooooh....
!!
!!
Wai... Wait for me...
Eh?
I was just going to kill you with one punch..

But I think I should teach you a lesson before that.
Anytime!
Another scary guy popped out...

さっ
Still making poses like an amateur?
How long are you planning to run?
A gun?
Try this?
I gotta think of something, or else she'll catch me soon...

But...
An amateur like you can't handle a gun immediately
Just shoot it!
Sure...
If you miss, you are dead
ス?

Dong!
No matter who, with what kind of ability, it should be impossible to take away one's memories and emotions...
Impossible...

I will restore your memories!!
Hekisa!

Chapter 28

Final Battle 3

So slow!
What the hell are Rumina and Ginosuke doing?!
Why do I keep on having this bad feeling...
Alright!

What's this?
Did something happen up there?

ハァ
ハァ
ハァ

Like I said before, you will never defeat me
I had heard about someone who had the ability to control compressed air vibrations.
However I never expected that person to be a mere child

Give up already!
No matter how fast you run, I will always find you with my hearing
And with my air vibration shield, I can reflect your attacks, turning them into air blasts that chase after you
It's clear who is going to win
Stop struggling!
ドカ
!
It has yet to be decided!

Gotta think of a way to cause some interference to that air wall and his ears
!
Otherwise I'm really going to die by his hands...
It hurts...
I have a request for you
Wait
It's more like an order!

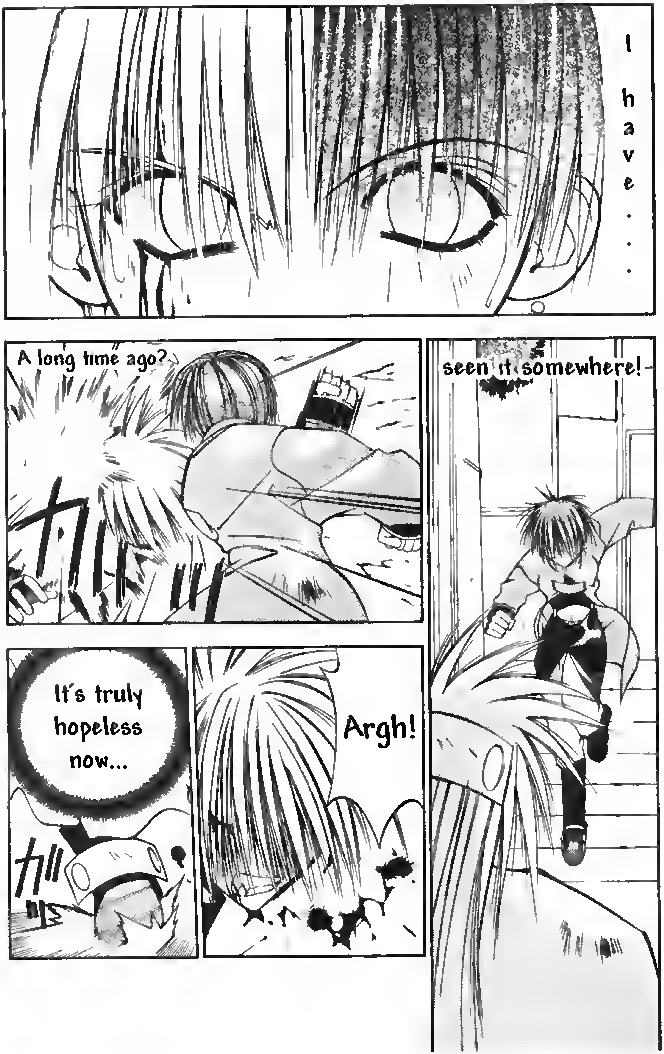
Even if you give this...
Don't get discovered.
What a disappointment
Stop wasting your energy!
Haven't you realized you are repeatedly doing the same things over and over?

10
What...!
Wa...
Water?
Shit!
That
means

I can't use my hearing anymore.
What's Hekisa doing?
Nevermind.
You should just surrender!

My companions call me "Sound".
but my full name is "Sound Illusion".
because I can interfere with people's brainwaves with sound waves
Once my target's brainwave has been hacked,
that person will become a puppet that will obey my orders.
Wait...
Let's see about that!

That look...



I have...
A long time ago?
seen it somewhere!
It's truly hopeless now...
Argh!

When you were taken away, I vowed...
I would find you and protect you.

Hekisa! WAKE UP!
!
Could it be that
Don't... DON'T TOUCH ME!

I know...
this man...?

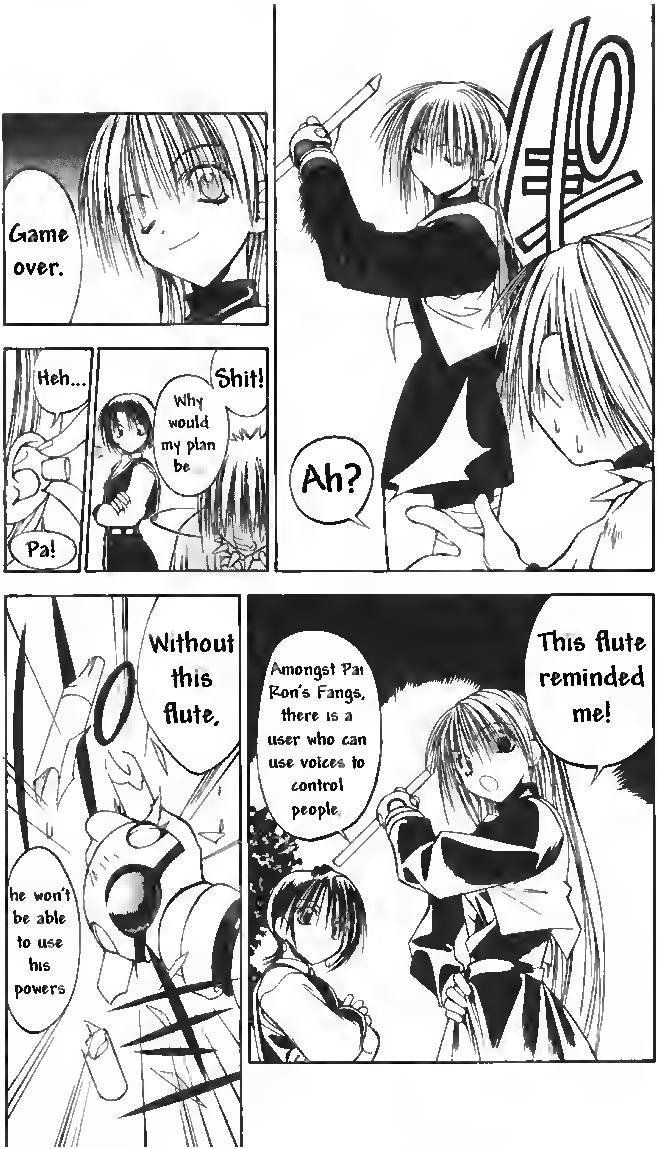
Wooooooooooah!
I can't remember anything!
everything is

I knew it...
If you had the ability to control anyone, why would you work for Pai Ron?
That's right.
you are indeed Chelsea Rorec
一ヲ

But how about her?
Haha...
Jilherts?!

Think I'm joking?
I told you, she can only hear my voice.
I will order her to do something interesting
Go kill that woman!

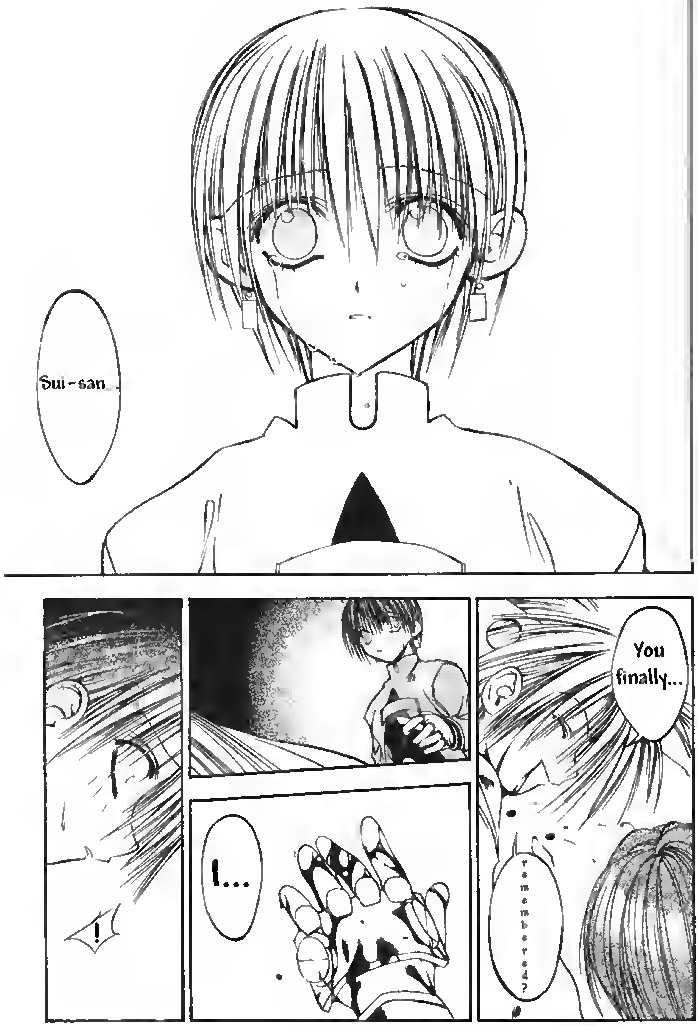
You little brat...
Eh?
Hahaha fate has turned against you, now it's time for you two to kill each other!
You underestimated the guards!
Hoo...
Hoo...
What kind of joke is that?
!
Grrrr!!
Dammit!



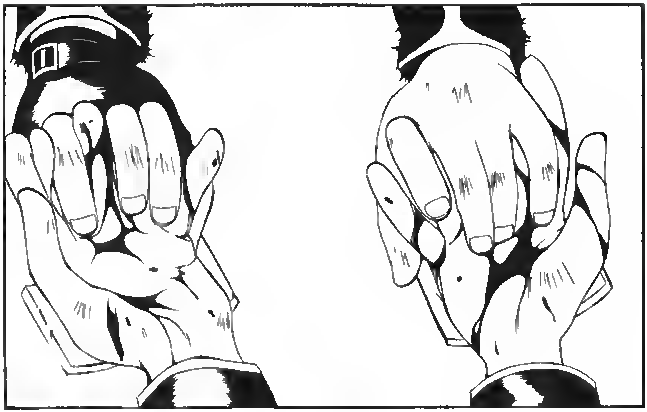
Game over.
Heh...
Shit!
Why would my plan be
Pa!
Ah?
Without this flute,
he won't be able to use his powers
Amongst Pai Kon's Fangs, there is a user who can use voices to control people
This flute reminded me!

Hekina

Sui...



Sui-san
!
!...
You finally...
remembered?



that's more than enough.

as long as you can remember me...
Don't be sad,

The only thing you know is how to beast.
then...
LET ME END YOUR LIFE!

The battle is getting more intense all the time.
Even if I can't help other people,
I must not become a burden!
!
I must at least protect myself.

I must fight for my own sake!
I can't possibly
lose to a kid!

It worked!
***!
Up there...
Something has happened?
...

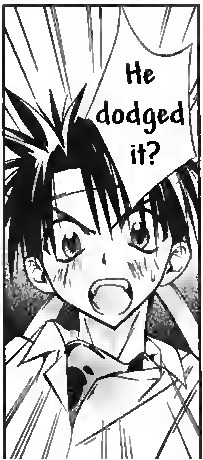
Chapter 29
Final Battle 4

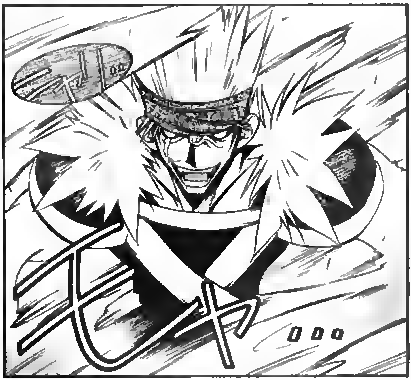
I will never forget...
The princess is still waiting for me on the other side of the bridge
Then there is only one thing,
for the hero to do...

wooooah!
カキーン

All of you bastards...
Hahaha... you changed a lot after you saw the princess.
should die and none of you will get away with this!



He dodged it?



ドゴ

Hahaha.. Of course
Bleeding endlessly within the smoke, slowly losing your consciousness

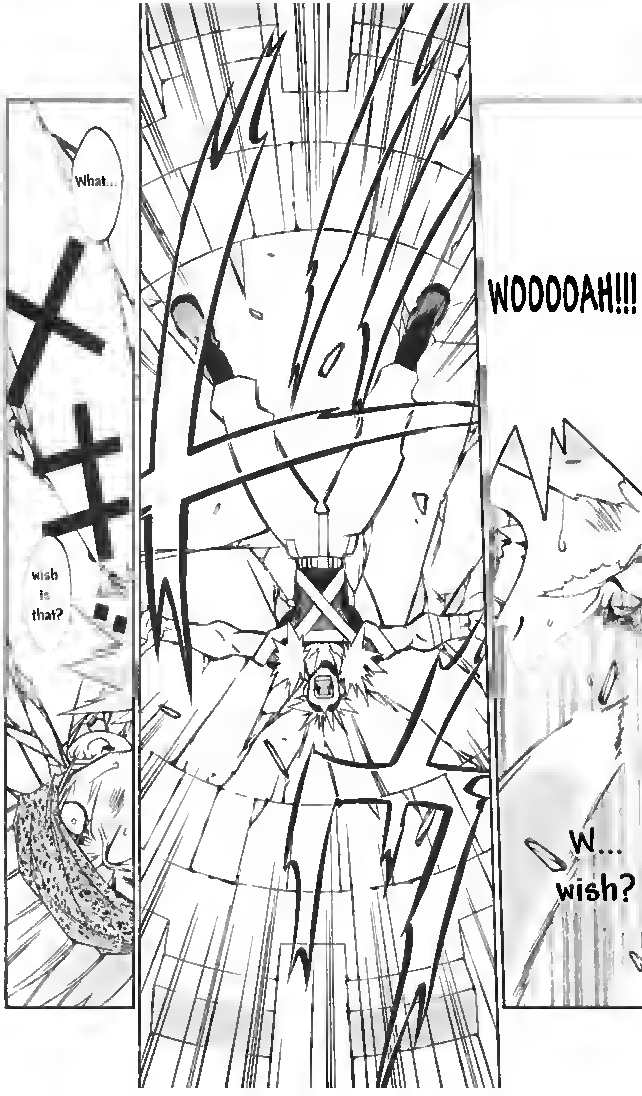
Kid, you don't even where I am....
how can you possibly return my attacks?

You have no other paths except death!
And become...

a ghost under my Bloody Sword Dance!!
...
Sorry...

What?!
I still have one...
This is...

very important wish!
Eh?!



What...
wish is that?
WOOOOAH!!!
W... wish?

What else could it be?
All boys' wishes are to be able to live happily ever after with cute girls!

If you were me, you would say...

Who's a nobody in the organization?
Who Knows
"Even if I am just a nobody in the organization, I won't tell you anything about other people's assignment details", right?
What is your objective?
You did it on purpose!
Huh... Were you there?
!!!

I didn't intend to do it!
It's just that I have long legs, and kicked you accidentally
Moreover... I love kids.
How could I bear to kick such a cute kid like you?
ピキ
ピキ
ピキ

Aiyo— What a cute little boy!
You two are obviously lying!
Woah!

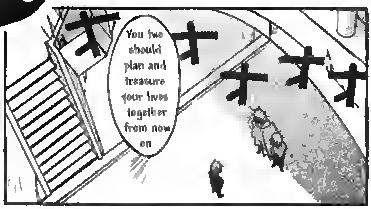
We were ordered to capture the princess that ran away.
That's all because you failed to educate her properly.
So you guys were really on a mission?
YOU
Could we have came out to play?
Where's Ruri-Sama?!
Bingo

Tower exits?
Chelsea-Sama,
I will leave him to you!
You did call my name earlier right?

くるっ
Oh.
What's your name?
アアアア

I am so sorry, I couldn't be of any help

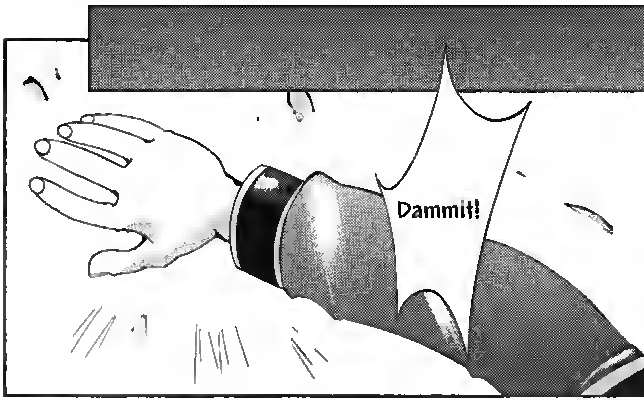
Take this, call me if you need any help



You two should plan and treasure your lives together from now on

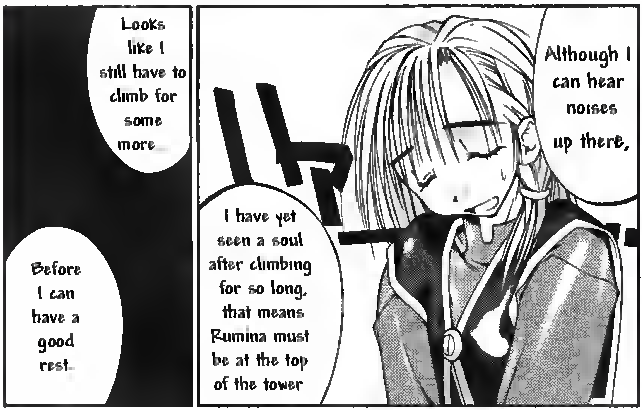
These people who came after you and your friends are of different levels from those who occasionally disturb the villages
Saaaa...

Please use the weapon I have invented and blast those bastards from the Company into ASHES!
This is the communication tool that was modified from the mobile phones of the surface dedicated for use underground
Didn't you say earlier that you didn't invent weapons to harm people?

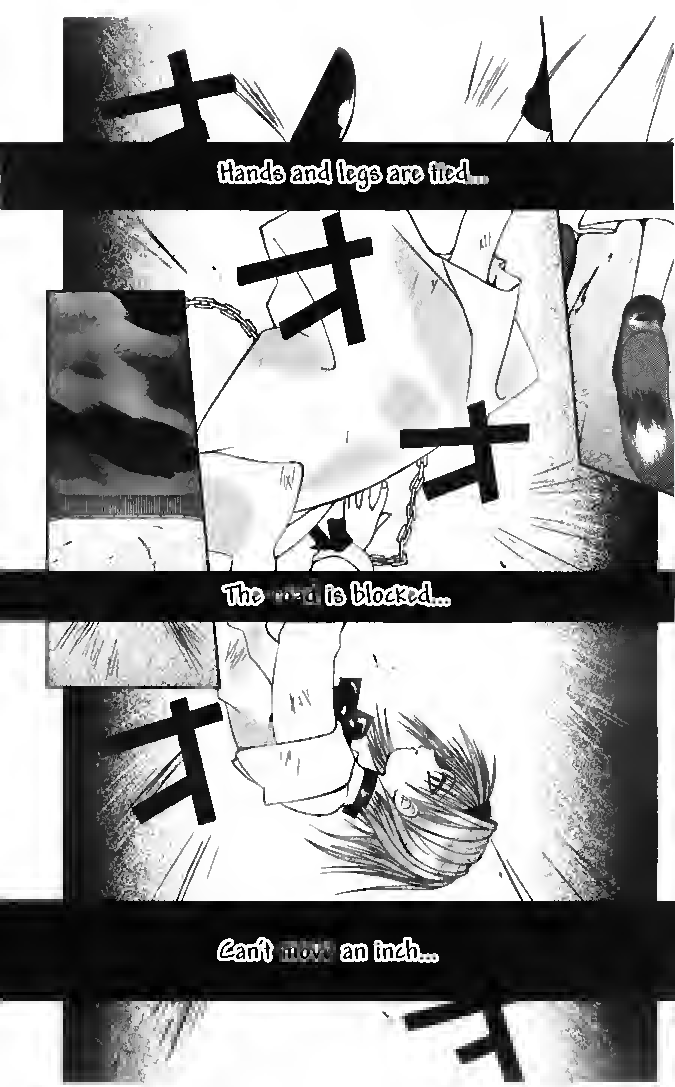


Dammit!

Why isn't there a single lifeform here?

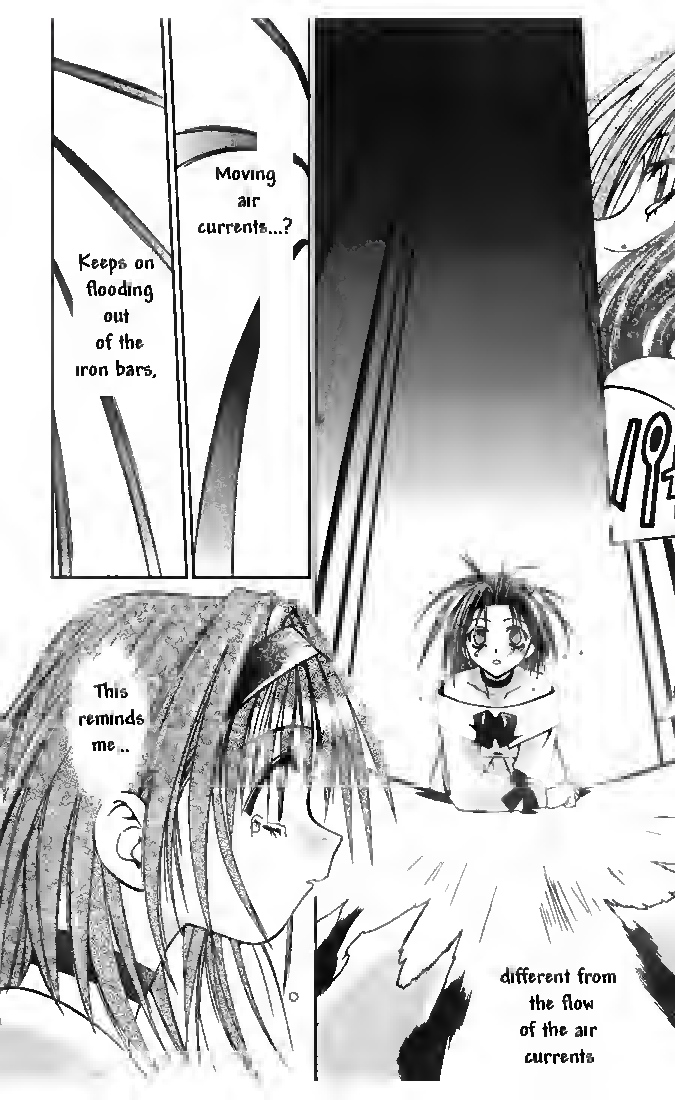


Looks like I still have to climb for some more
Before I can have a good rest
Although I can hear noises up there,
I have yet seen a soul after climbing for so long, that means Rumina must be at the top of the tower

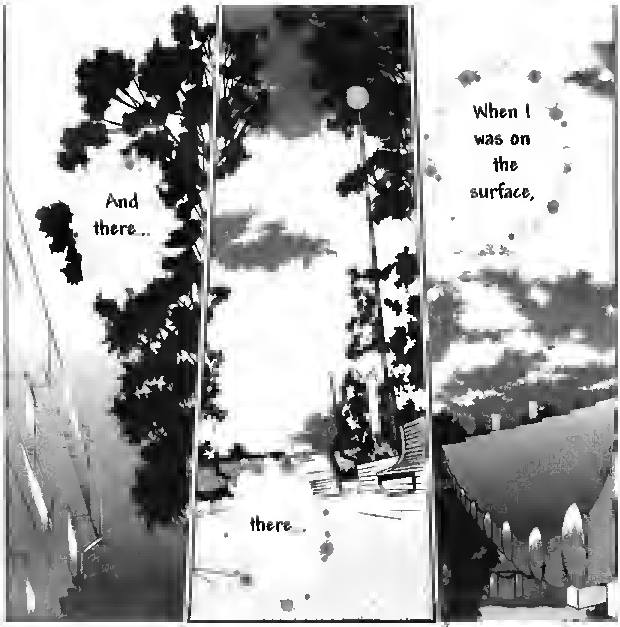


Hands and legs are tied...
The mouth is blocked...
Can't move an inch...

Sorry...
That's a promise!
I can't keep that promise anymore...



Moving air currents...?
Keeps on flooding out of the iron bars,
This reminds me...
different from the flow of the air currents



When I was on the surface,
And there...
there...

there is this gentle wind that glides past my cheek and sways my hair.

Wind?
